**SUBJECT: INCOMPLETE EXAMINATIONS RESULTS**

Senate during its meeting held on 10<sup>th</sup> May 2017 noted that a number of students had incomplete results for past academic years. It was resolved that the University administers examinations in July 2017 to give the affected students an opportunity to mop up all cases of incomplete results. This will also include 4<sup>th</sup> year supplementary/special examinations for the 2013 group.

Students are advised to confirm their results on the **ERP system** and those with incomplete results to get in touch with their respective departments not later than **31<sup>st</sup> May 2017**. Please note that going forward; **students will be required to sit for failed and missed examinations when next offered.**
