RE: EXAMINATIONS ROOMS DURING DECEMBER EXAMINATION PERIOD

It has been noted that many of the students idle around the examination rooms including making noise to candidates sitting for their examinations. To create an amble examination environment, it has been decided that:

- (a) **Students should AVOID moving around Lecture theater, sitting along the verandas or corridors and revising inside any rooms in LT block during exam sessions (i.e 0800-1100, 1100-1300 and 1400-1700 hrs).**
- (b) **Students should do their revisions in C-BLOCK or MAIN HALL or inside the MAIN LIBRARY.**
- (c) **Maintain silence always when in LT and B-Block buildings.**

We wish all our candidates good health, conducive environment and **success** in their examinations.
