### **SUBJECT: END OF SEMESTER EXAMINATIONS**

According to the fee payment policy, students are required to complete their fees five (5) weeks to the commencement of the end of semester examinations. The deadline for the fee payment this semester was therefore on 16<sup>th</sup> July 2018. However, this deadline has been extended to **Friday 4<sup>th</sup> August 2018** following requests from some students for more time to complete the fees. Students who will complete the fees after this deadline will not be cleared to sit for examinations.

Please note that examination attendance lists will be generated on Monday 6<sup>th</sup> August 2018 and students who will not have paid fees by the given deadline will not be included in the list and will therefore **not be allowed to sit for examinations**.
