**DATE:** 23<sup>rd</sup> April 2018

**TO:** ALL STUDENTS

**REF:** MMU/AA031/010/VOL.2 (57)

**SUBJECT: PROGRESSION OF STUDIES**

According to the rules and regulations governing examinations, students who fail to sit for examinations are required to do so when next offered. The rules also stipulate that students who have failed in or not covered more than four (4) courses in an academic year should not proceed to the following year of study. They must retake/sit for the pending examinations before proceeding to the next year of study.

In view of the above, students who are currently in year 1 semester 2 (2017 group) and year 2 semester 2 (2016 group) who fail to sit for the ongoing examinations will be required to sit them when next offered i.e. at the end of the **January – April 2019 semester**. Affected students will therefore **NOT** progress to the following year of study in September 2018. They will only do so in **September 2019**, subject to sitting and passing the pending examinations as per the regulations.

Affected students are advised to fill the leave of absence forms for the remaining period of the current semester and deferment forms for the period covering September 2018 to March 2019. The forms are available at the Dean of Students' office.

Please note that disciplinary action will be taken against any student found flouting regulations on progression of studies.
