RE: CONSIDERATION FOR MISSED EXAMINATION

Reference is made to your letter dated 26th April 2019, on the above mentioned subject

Please note that your request to be offered special examination for the paper missed in December 2018 due to non-adherence to the fee payment policy, has not been approved. This is due to the reason that the Rules and Regulations Governing University Examinations stipulate that missed examinations can only be taken when next offered.

In view of the foregoing, you are advised to register for the missed examination during the September – December 2019 semester.
