RE: INSECURITY

It has been observed that the rate of crime in Narok Town is on upward trend. The indicators of this, range from the frequent petty theft of smart phones and laptops to serious crimes of robbery with violence using crude weapons (knives /pangas).

The university in collaboration with the county security team, will boost the security patrols around the university to wade off and arrest this criminals to avert their ill intended actions.

In view of the above, all students are advised to be extra careful, not walk late in the night, avoid dark places and if you must walk at night, then be in large groups for security reasons.

Kindly comply.
