SUBJECT: FULLY SPONSORED WEB DEVELOPMENT SCHOLARSHIP OPPORTUNITY

We are pleased to announce an exciting opportunity for all students: a **Fully Sponsored Web Development Scholarship**, aimed at equipping youth with essential technical skills through an intensive training program.

The training will begin on **8th October 2024** and run for **two and a half months**. This scholarship is made possible through the generous support of the Mastercard Foundation, offering financial scholarships to deserving students across Kenyan TVETs and Universities.

To apply, please use the following link:
Application Link: https://bit.ly/4dFiBuQ

We encourage all interested and eligible students to apply. The deadline for registration is **Wednesday, 2nd October 2024**.

Please ensure you submit your application before the deadline. This is a unique opportunity to gain valuable skills in web development and advance your career prospects.

For further inquiries or assistance, feel free to contact the [relevant department or contact person].

Best regards,

Mr. Anil Kumar
