### **SUBJECT: LECTURE ATTENDANCE**

Following the national industrial action by the Universities Academic Staff Union (UASU) and the subsequent court ruling that declared the strike illegal, the University Management has engaged with the local UASU Chapter Officials, Senate and other stakeholders to ensure the continuation of learning. Despite these efforts, it has been observed that lecturers who intend to continue teaching are facing challenges due to low student attendance, as many students have used the strike as an excuse to miss classes.

Considering this, **all students are urged to adhere to the teaching timetable and attend classes regularly**, as this will help the lecturers deliver lessons effectively. Your cooperation is essential in upholding the integrity and continuity of our academic programs.

Thank you for your attention and commitment to your studies.
