SUBJECT: ONGOING END-OF-SEMESTER II EXAMINATIONS FOR THE 2024/2025 ACADEMIC YEAR

The end-of-Semester II examinations commenced today, **April 14, 2025,** and will conclude on April 30, 2025. We appreciate those who have adhered to the deadlines for fee payments and course registrations, ensuring a smooth start to the examination process.

However, we request your attention to a few concerns that have arisen. We noticed that some students were unable to complete their fee payments before the deadline, which unfortunately caused some disruptions. We understand that circumstances can sometimes lead to delays; that is why the affected students are asked to fill out leave of absence forms and register their details with their respective heads of departments. These students will have the opportunity to participate in the **Supplementary/Special** examinations scheduled for **July/August 2025**.

Additionally, we have observed that some students scheduled for examinations between today, Monday the 14th April, between 8:30 AM and 11:00 AM were missing from the examination attendance list even though they deserved to be listed. We are actively investigating these cases to ensure we take appropriate measures going forward. We will keep you updated as we work toward a resolution.

Thank you for your understanding and cooperation. We are committed to supporting each of you during this examination period and beyond.
